- Millage voted for two years or less under s. 9(b), Article VII of the State Constitution

**Section I: Property Appraiser**

Use a separate DR-420DEBT for each voted debt service millage that's levied by a taxing authority. The property appraiser should check the Yes box on Line 9 of DR-420, *Certification of Taxable Value*, or Line 3 of DR-420S, *Certification of School Taxable Value*.

The property appraiser should provide the levy description and complete Section I, Lines 1 through 4 of this form, for each voted debt service millage levied.

Enter only taxable values that apply to the voted debt service millage indicated.

Sign, date, and forward the form to the taxing authority with the DR-420.

**Section II: Taxing Authority**

Each taxing authority levying a voted debt service millage requiring this form must provide the proposed voted debt millage rate on Line 5.

If a DR-420DEBT wasn't received for any

- Voted debt service millages or
- Millages voted for two years or less

contact the property appraiser as soon as possible and request a DR-420DEBT.

Sign, date, and return the form to your property appraiser with the DR-420 or DR-420S.
